

GCC FINANCIAL CONSULTANCY

Strategic finance for the Gulf's most ambitious operators.

We pair clean accounting with the FP&A founders actually run on forecasts, scenarios, unit economics. Never bookkeeping for its own sake.

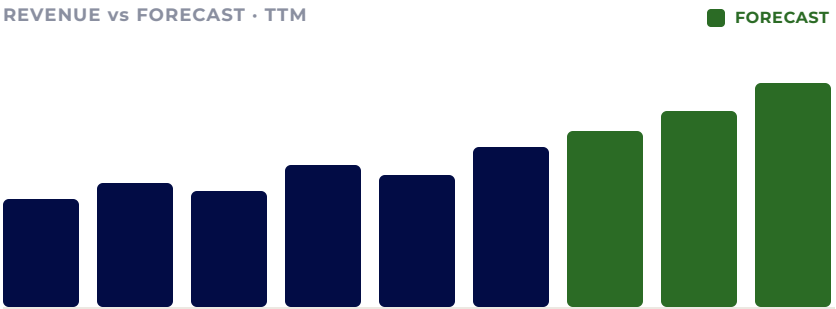

GCC operators · \$0.5M–\$5M revenue · D2C, Manufacturing, Healthcare & Logistics.

THE PROBLEM & OUR SOLUTION

The gaps that stall growth

and how we close them.

THE CHALLENGE

- ✗ Financial data is disorganized
- ✗ No visibility on cash flow
- ✗ Finance feels reactive
- ✗ Leadership lacks financial clarity

HOW FQ HELPS

- ✓ Structure and accurate reporting
- ✓ Forecasting and financial insights
- ✓ Proactive business planning
- ✓ Simplified reporting for better decisions

WHO WE ARE

More than accounting. A finance partner for growth.

“They rebuilt our reporting and gave us a forecast we finally trust — we can see what's coming and plan for it.”

— Founder, D2C brand · Dubai

“Our monthly close went from three weeks to three days, and the numbers finally make sense to the whole team.”

— Finance Lead, Logistics group · Riyadh

“They cleared two years of backlog and set up reporting we now run the business on.”

— Founder, Healthcare startup · Abu Dhabi

Resolve backlogs and fix reporting issues

INDUSTRIES WE SERVE

We know the numbers that move your industry.

[Explore all industries →](#)

Different sectors run on different numbers — we build finance around how yours actually works.

Direct to Consumer & CPG

Inventory, margins, and cash flow visibility

Retail & E-commerce

Multi-channel revenue and inventory clarity

Healthcare

Payer reconciliation and compliant reporting

Manufacturing

Costing, COGS, and margin by product line

Logistics & Supply Chain

Cash flow across long payment cycles

Construction & Real Estate

Project costing and revenue recognition

WHY FRONTIER QUOTIENT

Built for the way you actually run things.

- 

01

GCC-Focused

Deep understanding of regional business needs, VAT, UAE Corporate Tax, and GCC market realities.
- 

02

Practical Approach

Clear, actionable advice. Finance that moves your business forward — not just compliance.

- 

03

Flexible Engagements

Monthly retainer or project-based. Services tailored to your business size and goals.
- 

04

Strategic Insight

Finance support that helps you make better decisions — not just record what already happened.
- 

05

Reliable Communication

Professional and responsive. You always know where your numbers stand.
